Agenda

The agenda was reviewed by all Board members in attendance. No additions or deletions were made to the agenda. The agenda was accepted as presented.

Public Comment Period

Citizens shared concern that the board is moving forward with unification, support for the Fire Chiefs recommendation for unification, concern about misinformation reflected in the September meeting minutes in Appendix A pertaining to unification's impact on the current mill levy, a reminder to the public that Save Elk Creek Fire was fined by the Colorado Secretary of State for violating campaign finance law. Another citizen spoke on behalf of a group of professional firefighters (both volunteers and paid) and EMS personnel, (100% of the 59 respondents to the survey) from Elk Creek, North Fork and Intercanyon in support of a unified District in order to provide the necessary response for the area's growing needs. The current status quo is not working well and the professional firefighters and EMS personnel represented believe they would be much more effective as a single unified district. Finally, a Citizen echoed support for those in the field who believe a unified District is the best path to provide the needed service for the area. This citizen clarified that the current Unification effort is not the same as Consolidation that was voted on by the Citizens which only lost in Elk Creek's District by a very narrow margin of 45 votes because it does not include a mill levy increase.

Citizens who provided public comment include Neil Whitehead III, Al Leo, Ken Shine, Philip Koch

DRAFT

ELK CREEK FIRE PROTECTION DISTRICT
STATEMENT REGARDING CERTAIN RECENT COMMUNICATIONS FROM ELK CREEK FPD

October 24, 2024

In my report entitled *Fact-checking Elk Creek, Inter-Canyon, and North Fork Fire Protection Districts Recent Consolidation Effort Communications* dated October 24, 2024, I report on just a few of the inaccuracies contain in recent Elk Creek FPD communications regarding its efforts towards fire district Consolidation. I have asked that that report be made widely available to the public via our website as well as our Facebook and Nextdoor platform channels.

This evening, I will focus only on the "LEGAL NOTICE FOR CONSOLIDATION APPEARING IN THE *CANYON COURIER*" in order to point out inaccuracies in the following two statements contained in that legal notice:

STATEMENT: *"The mill levy assessed by North Fork against all property within its boundaries, exclusive of any mill levy for refunds or abatements, is currently 12.000 mills. The mill levy assessed by Elk Creek against all property within its boundaries, exclusive of any mill levy for refunds or abatements, is currently 12.500 mills. If the Property is excluded from Elk Creek and included within North Fork the mill levy will be reduced by 0.500 mills, exclusive of refunds or abatements."*

FACT-CHECK: These two statements are inaccurate for the following reasons:

1. The North Fork FPD has been authorized by a vote of its electors to adjust its mill levy so it may offset reductions in its revenue, such that that authorization allows North Fork FPD a current, certified mill levy rate of 12.8960, see *North Fork FPD Mill Levy Resolution for 2024 Budget Transmittal*, attached as Exhibit A.
2. In Section 7.7, the *First Amendment to Pre-Consolidation IGA* explicitly states, "*Inter-Canyon and Elk Creek shall, ... certify for collection ad valorem property taxes within their respective boundaries for tax year 2024, for collection in 2025, at the same mill levy rate as certified in the prior year.*" meaning that mill levies for the Elk Creek and Inter-Canyon FPDs will remain at 2024 levels, see *First Amendment to Pre-consolidation IGA Section 7.7*, attached as Exhibit B.

I request that this statement be included in the minutes of this meeting as an appendix.

Thank you,

Chuck Newby
Director, Elk Creek FPD

ELK CREEK FIRE PROTECTION DISTRICT
STATEMENT OPPOSING APPROVAL
OF
RESOLUTION AND ORDER OF EXCLUSION

November 21, 2024

After due diligence, for the following reasons, I oppose adoption of this Resolution and Order of Exclusion (North Fork Consolidation) (the "consolidation plan"):

1. During the November 2023 ballot election, by a vote of 51% NO and 49% YES, Elk Creek FPD voters rejected the consolidation plan proposed by the District. Critically, the current consolidation plan ignores and subverts the will of the Elk Creek FPD voters who rejected consolidation at the ballot box, a situation that will undermine local democracy going forward.
2. The current consolidation plan will move property from the Elk Creek FPD—which operates at a lesser authorized mill levy rate of 12.551 mills—into North Fork FPD which operates at a greater authorized mill levy rate of 12.896 mills, without a vote by the Elk Creek FPD electorate, as required by law. Therefore, the proposed consolidation plan violates both Section 20 of Article X of the Colorado Constitution and Title 32 Special Districts Act of the Colorado Revised Statutes.
3. The Elk Creek FPD Board of Directors has failed to make the findings necessary for approval of the proposed exclusion/inclusion of real property within District as set forth in Title 32-1-501 of the Colorado Revised Statutes.

Sincerely,

Chuck Newby
Director, Elk Creek FPD
